Sattvaa Owaiss takes pride in leading the export and supply of premium Indian Kabuli Chickpeas to our esteemed clientele. Our carefully sourced chickpeas include two varieties: red and white.

These chickpeas are sourced from reputable industry vendors known for their commitment to cultivating using superior quality seeds and fertilizers, free from pesticides and harmful chemicals. Renowned for their exquisite aroma and delectable taste, our Indian Kabuli Chickpeas are highly sought after. To maintain their quality and freshness, we leverage state-of-the-art storage facilities, ensuring our chickpeas remain impeccably free from moisture.
